

Please read carefully and complete both pages of this form.

This form should be used in order to request a Qualified Charitable Distribution ("QCD") from your Individual Retirement Account ("IRA") or Beneficiary Inherited IRA. Retirement plan participants or their beneficiaries who have attained age 70 1/2 or older may make tax-free distributions from a Traditional or Roth IRA and donate the amount distributed to an eligible tax-exempt charitable organization. The total of all QCDs for a single tax year cannot exceed \$100,000. The QCD amount can be used toward satisfying your Required Minimum Distribution ("RMD") for the tax year. The QCD will be reported to the Internal Revenue Service ("IRS") on Form 1099-R as a normal distribution (Code 7) based on your age. You must document the tax-free qualification to the IRS on your federal income tax return (Form 1040). Please visit the IRS website www.irs.gov, or contact a professional tax advisor for more information.
